

SAN LUIS OBISPO **museum of art**rageous Summer Camps

Art camps are held at the Museum of Art, 1010 Broad Street at the Mission Plaza, San Luis Obispo

Monday, June 19 – Friday, June 23

9 am to noon

5 – 6 year olds Camp #SM1A17

PAPER SCULPTURE

with teaching artist Madeline Simonaro
Create sculpture by changing flat paper into 3-D forms. It's fun to fold and loop your paper and build it into sculpture.
...after the break

NATURE'S LAYERS

with teaching artist Susan Connors
Discover the shapes, colors, and textures in nature. Create drawings & paintings inspired by plants, trees, streams, and habitats. Use your imagination!

7 – 8 year olds Camp #SM1B17

NATURE'S LAYERS

with teaching artist Susan Connors
Discover the shapes, colors, and textures in nature. Create drawings & paintings inspired by plants, trees, streams, and habitats. Use your imagination!
...after the break

STILL LIFE DRAWING

with teaching artist Lury Norris
Experience the basics of drawing. Create still life drawings by observation using pencil, charcoal, and pastel.

9 – 12 year olds Camp #SM1C17

STILL LIFE DRAWING

with teaching artist Lury Norris
Experience the basics of drawing. Create still life drawings by observation using pencil, charcoal, and pastel.
...after the break

PAPER SCULPTURE

with teaching artist Madeline Simonaro
Learn to fold and layer to create imaginative spatial artwork. Combine a variety of papers for interesting texture. It's fun to use paper as a sculpture material.

Monday, June 26 – Friday, June 30

9 am to noon

5 – 6 year olds Camp #SM2A17

PRINT IT AGAIN

with teaching artist Carolyn Balogh
Printmaking is fun! Build up surfaces with glue, string, and paper to create a texture block. Use brayers and water-based ink to make multiple printed copies.
...after the break

WEAVING EXPLORATION

with teaching artist Madeline Simonaro
Start with simple weaving techniques. Use string, thread, and yarn, then expand into imaginative weaving with materials that can twist and bend.

7 – 8 year olds Camp #SM2B17

EXPLORING WEAVING MATERIALS

with teaching artist Madeline Simonaro
Combine thick and thin materials—fabric, raffia, paper, string and wire to create imaginative fiber art. Introduce repetition into your artwork.
...after the break

LARGE SCALE ANIMAL PORTRAITS

with teaching artist Deborah Sanz
Create large animal portraits through observation and imagination. Work with acrylic paint, mixed media, and collage and explore texture through layered brushstrokes.

9 – 12 year olds Camp #SM2C17

LARGE SCALE ANIMAL PORTRAITS

with teaching artist Deborah Sanz
Create large animal portraits through observation and imagination. Work with acrylic paint, mixed media, and collage and explore texture through layered brushstrokes.
...after the break

MAKE YOUR MARK

with teaching artist Carolyn Balogh
Experience relief printmaking. Explore printing with gelatin, built up texture surfaces, and carved linocuts. Print and manipulate your artwork with color & overlays.

Monday, July 10 – Friday, July 14

9 am to noon

5 – 6 year olds Camp #SM3A17

LINES IN THE ENVIRONMENT

with teaching artist Madeline Simonaro
Observe nature through artistic lines! Explore natural and man-made lines in the environment. Build a small model of hills, streams, and trails.
...after the break

ATMOSPHERES IN ART

with teaching artist Susan Connors
Create the smells, sounds, sights, and patterns in an imagined place. Express layers of atmosphere by combining drawing, painting, and collage.

7 – 8 year olds Camp #SM3B17

ATMOSPHERES IN ART

with teaching artist Susan Connors
Create the smells, sounds, sights, and patterns in an imagined place. Express layers of atmosphere by combining drawing, painting, and collage.
...after the break

FINDING IMAGINATION

with teaching artist Tommy Hacker
Learn how artists can express moods and feelings through line, color, and texture. Sketch in SLOMA's galleries and create your own artwork showing expanded ideas.

9 – 12 year olds Camp #SM3C17

FINDING IMAGINATION

with teaching artist Tommy Hacker
Learn how artists can express moods and feelings through line, color, and texture. Sketch in SLOMA's galleries and create your own artwork showing expanded ideas.
...after the break

BUILDING 3-D WORLDS

with teaching artist Madeline Simonaro
Learn to build a 3-D model. Look at nature's lines, curves, symmetry, and balance. Observe the interaction of hills, valleys, rocks, and streams. Create trails for exploring your world.

Monday, July 17 – Friday, July 21

9 am to noon

5 – 6 year olds Camp #SM4A17

LINES & CONNECTED SHAPES

with teaching artist Susan Connors
Have fun using lines to form unexpected shapes. Use oil pastels to follow the lines as they wind around to connect elements and colors. Imagination at work!
...after the break

BE AN ARTIST!

with teaching artist Madeline Simonaro
Learn to create new colors by blending tempera paint. Paint at an easel like an artist.

7 – 8 year olds Camp #SM4B17

FOLKLORE MASKS

with teaching artist Tommy Hacker
Design & create a mask inspired by Celtic folklore's protector of nature. Work in 3-D with paper sculpture, oil pastels, and tempera.
...after the break

LINES & CONNECTED SHAPES

with teaching artist Susan Connors
Have fun using lines to form unexpected shapes. Use oil pastels to follow the lines as they wind around to connect elements and colors. Imagination at work!

9 – 12 year olds Camp #SM4C17

PAINTING AT THE EASEL

with teaching artist Madeline Simonaro
Focus on color mixing and layering brushstrokes as you paint at an easel. Develop your artwork using observation skills and your imagination.
...after the break

FOLKLORE MASKS

with teaching artist Tommy Hacker
Design & create a mask inspired by Celtic folklore's protector of nature. Work in 3-D with paper sculpture, oil pastels, and tempera.

6 great sessions! 5 days in every session!
artrageous Summer Camps for Kids
 San Luis Obispo Museum of Art

ENROLL NOW

Camp size is limited to 15 students!

Monday, July 24 – Friday, July 28

9 am to noon

5 – 6 year olds Camp #SM5A17 **7 – 8 year olds** Camp #SM5B17

9 – 12 year olds Camp #SM5C17

STRUCTURES IN ARCHITECTURE

with teaching artist Susan Connors

Explore the geometric shapes we live in and the spaces around them. Create an imaginary painted city, connecting the shapes along with their finishing details, lines, textures, and patterns.

...after the break

PASTEL STILL LIFE DRAWING

with teaching artist Madeline Simonaro

Draw what you see using colored chalk. Create colorful pastel drawings to bring static objects to life.

PASTEL STILL LIFE DRAWING

with teaching artist Madeline Simonaro

Learn to blend colored chalk in your drawings. Observe still life arrangements to develop your artwork. It's all about blending, shading, and putting a center of interest in your work.

...after the break

MIX IT UP WITH WEAVING

with teaching artist Kathy Friend

Develop elemental paper weaving to imaginative woven creations. Introduce fiber, yarn and found objects creating creatures, journey sticks, as well as wall hangings.

WEAVING AS ONLY YOU CAN IMAGINE

with teaching artist Kathy Friend

Create your own loom and mix weaving with collage & painting. Find inspiration from Op Art, dimensional mixed media to tapestry weaving. Explore various media to create your own unique artwork.

...after the break

HUMAN FACE IN ART

with teaching artist Susan Connors

Explore the human face for your composition. Work using continuous line, collage, and mixed media toward abstraction. Find inspiration in the arts in Africa, Picasso, and Basquiat.

Monday, July 31 – Friday, August 4

9 am to noon

5 – 6 year olds Camp #SM6A17 **7 – 8 year olds** Camp #SM6B17

9 – 12 year olds Camp #SM6C17

MIXED MEDIA COLLAGE

with teaching artist Tommy Hacker

Focus on experimenting with a variety of art materials. Develop creative decision-making skills as you work in mixed media.

...after the break

UNDERSEA WATERCOLORS

with teaching artist Madeline Simonaro

Make a splash with your artwork! Create paintings of sea life in watercolor. Learn to use transparent paints.

OCEANS OF WATERCOLOR

with teaching artist Madeline Simonaro

Explore the effects of transparent watercolors. Develop paintings of rich undersea life by layering your paint. Experience wet on wet techniques!

...and after the break

GEOMETRIC RELIEF SCULPTURE

with teaching artist Susan Connors

Be inspired by the art of Kandinsky to work from small to extra large shapes. Introduce geometric, lyrical, and organic shapes in drawings, developing into a huge collaborative relief sculpture.

GEOMETRIC RELIEF SCULPTURE

with teaching artist Susan Connors

Be inspired by the art of Kandinsky to work from small to extra large shapes. Introduce geometric, lyrical, and organic shapes in drawings, developing into a huge collaborative relief sculpture.

...after the break

MASTERING MIXED MEDIA

with teaching artist Tommy Hacker

Experiment with a variety of art materials, mastering the use of art tools, and developing creative decision-making skills. Examples of artists like Robert Rauschenberg and others known for mixed media will be introduced.

San Luis Obispo Museum of Art

A family membership saves money! Join the Museum of Art for \$45 and the whole family saves on camps and events for 12 months.

Save \$5 when a sibling comes to a camp in the same week.

All art materials are provided. Full and partial scholarships are available.

\$165 for members per camp, \$195 for nonmembers per camp
