

SLO Veg Helping Pacheco Grow

SLO Veg is again partnering with Pacheco to provide the Harvest Box program for delivery. It's easy! Each **Tuesday** when you pick up your child you also pick up your veggie box! Boxes are available for pick up between 2:30 and 3:00 in front of the office by the MPR. Does your child attend **Sun n' Fun**? Easy, your box will be waiting for you in the Sun n' Fun room when you pick up your child. Not a huge Veggie eater? Choose the **bi-weekly** option. Any unclaimed boxes will be donated.

The price per box is \$25, with a donation of \$2 from each box going to PTA.

What to Expect: Each Harvest Box will generally contain 10 to 12 different items each week, such as: strawberries, carrots, broccoli, potatoes, lettuce, peas, artichokes, kale, chard, spinach, radishes, onions and more!
