

SLO Veg Helping Pacheco Grow

SLO Veg is partnering with Pacheco to provide the “Harvest Box program for delivery. It's easy! Each **Wednesday** when you pick up your child, you also pick up your veggie box! Boxes are available for pick up between 2:30 and 3:00 in front of the office by the MPR. Does your child attend **Sun n’ Fun**? Easy, your box will be waiting for you in the Sun n’ Fun room when you pick up your child. Return your empty box to the MPR.

The price per box is \$26. SLO Veg will donate \$2 for every box delivered to Pacheco. The PTA will use the donations to support school activities throughout the year. Support your school while ensuring your family is eating fresh, healthy, and local. You’re also helping to sustain our local food source, farmers, and community.

What to Expect: Each Harvest Box will generally contain 10 to 12 seasonal items each week, such as: strawberries, carrots, broccoli, potatoes, lettuce, peas, artichokes, kale, nectarines, blackberries, raspberries, chard, spinach, radish, onions and more!

A Note from SLO Veg: Know where your food comes from! We offer the very best fruits and veggies our local farming community offers while delivering directly to you. We currently service SLO, Avila, 5 Cities, Arroyo Grande, Grover Beach, Oceano, Nipomo Los Osos, Morro Bay Cayucos, Atascadero and Paso Robles with home, school, or business delivery Monday – Friday weekly or every other week (bi-weekly).

- Seasonal / Locally Grown / Pesticide Free / Certified Organic / Conventional Produce
- Weekly online recipes and produce care tips to extend the shelf life of your produce.
- Delivery @ 2:30PM every Wednesday at Pacheco for the remainder of the school year. (Option to stop at any time.)
- An email will be sent out each Monday with harvest contents, recipes and farmers who supplied us.

Don't miss out ~ Sign Up Today! Your family will love these locally grown fruits and vegetables, which are picked at the peak of ripeness and have all the nutrients and flavor they were intended to have.

If you have any questions please contact your Harvest Box Coordinator, Amber Petit - email: amberhow@gmail.com
