

# ROCK AROUND SLO

## MISSION STATEMENT

“Creating community involvement in which individually painted rocks bring smiles to people’s faces and that these little random acts of kindness will help make our community a better place to live, work & recreate in, one rock at a time.”

## GUIDELINES

### Create and leave a rock in a park:

Decorate a rock with an inspirational message or design & place your rock in a City of SLO Park.

\*Painted rocks may only be placed in City of San Luis Obispo Parks.

### Take a rock, leave a rock:

You can either add a new rock or if you find one that makes your day, feel free to keep it & replace that rock with one you’ve painted.

**The goal** is simply bring joy to someone, have fun & explore your community.

### Your photos rock:

Take a photo, tag the location of the park, with #rockaroundSLO & @sloparcsandrec to share your treasure with the community!

## LOCATIONS

## SAN LUIS OBISPO CITY PARKS
